Helping your patients access OXERVATE® in one convenient location

Healthcare providers can now digitally enroll patients into Dompé CONNECT to Care through iAssist

BENEFITS OF ELECTRONIC ENROLLMENT:

- Collection of information electronically, reducing potential missing, inaccurate, or illegible information that could cause enrollment delays

- Ability to upload patient insurance cards, medical history, and letters of necessity streamlines the process and improves prior authorization approval rates

- Digital capture of patient consent and prescriber signature

WHAT YOU AND YOUR OFFICE CAN ACCESS ONLINE:

 Digital Enrollment to Dompé CONNECT to Care

 Patient Authorization

 Benefit Verification

 Prior Authorization

 Patient Financial Assistance Program
